PRAKATA

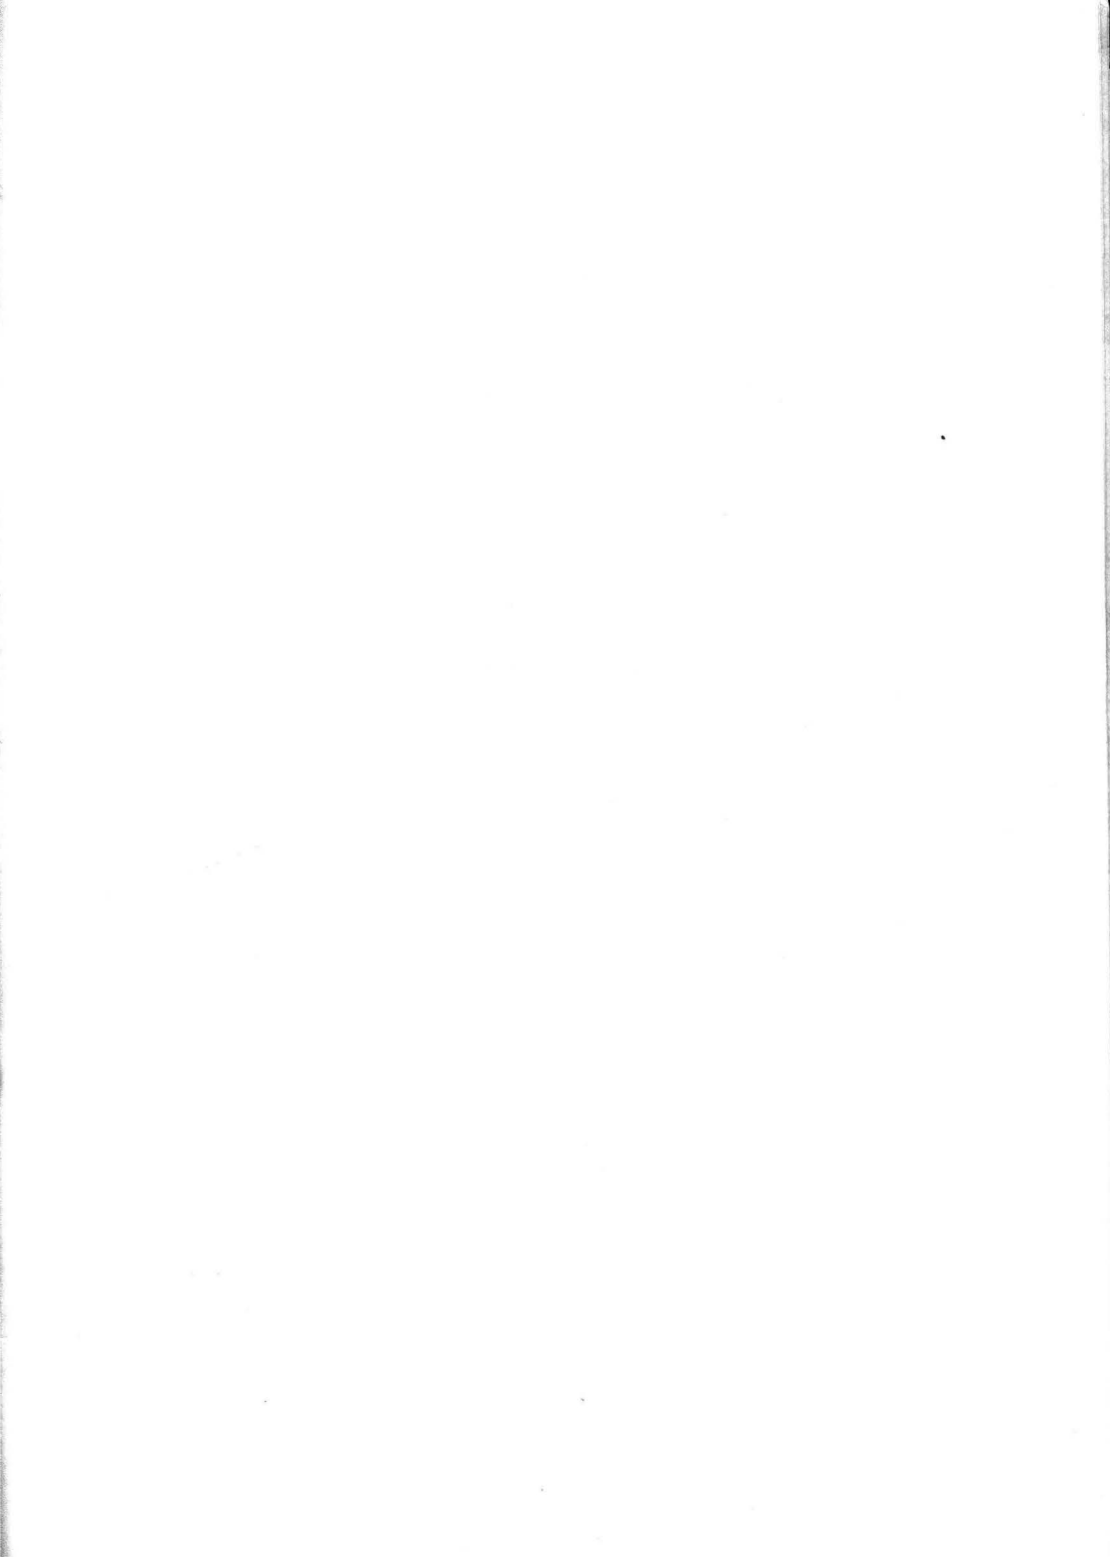

Dalam rangka mendokumentasikan hasil-hasil Sidang Majelis Bahasa Indonesia-Malaysia antara lain telah selesai disusun kartotek istilah berbagai bidang ilmu yang telah disetujui oleh kedua negara, yaitu Indonesia dan Malaysia.

Daftar kumulatif Istilah Hasil Sidang ini disusun berdasarkan kartotek itu. Daftar ini baru memuat istilah hasil sidang VII sampai dengan Sidang XVI, dari tahun 1974 hingga tahun 1981, sedangkan istilah hasil sidang-sidang sesudahnya akan kami tambahkan sebagai suplement pada daftar ini.

Mudah-mudahan tujuan penyusunan daftar ini serta penyebarluasannya dapat tercapai, yaitu untuk dijadikan sarana kerja dan sumber acuan bagi kegiatan penyusunan maupun penyelarasan istilah berbagai bidang ilmu.

Akhir kata, untuk tujuan perbaikan dan penyempurnaannya, kami harapkan saran dan kritik dari para pemakai, yang akan kami terima dengan penuh rasa terima kasih.
